

# NOBODY FIGHTS ALONE READY TO BE A SUPERHERO?

## SPONSORSHIP OPPORTUNITIES

Grab your cape and support the community of mast cell patients. Mast cell disease lacks resources and is under-recognized and currently incurable. Mast cell disease can significantly impair patients' quality of life and require specialized diagnosis and treatment.

### The Founders Grant: \$10,000

*Grant provided to patients with the experience and desire to uplift and encourage the mast cell patient community. This grant honors one superhero and encourages others to use their superpowers.*

#### Sponsorship Benefit:

Company logo recognized at every Super T's event (conference, foundation event, seminars, etc.) for 5 years  
5 tickets to Super T's locally held events  
Company logo and information placed on Super T's website and social media for 5 years  
Banner placement on Quarterly Newsletter

### The Super T's Grant: \$5,000

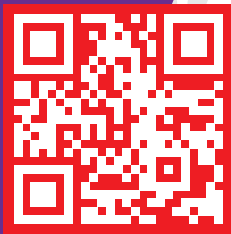

*Grant provided to help improve the quality of life for patients affected by mast cell disease. This grant will help to offset living and medical expenses affording patients the opportunity to focus on their well being, thus lessening their burden.*

#### Sponsorship Benefit:

Company logo recognized at every Super T's event (conference, foundation event, seminars, etc.) for 3 years  
4 tickets to Super T's locally held events  
Company logo and information placed on Super T's website and social media for 3 years  
Banner placement on Quarterly Newsletter

We Will. We Can. We Are.  
Supporting & Advocating for  
Mast Cell Disease

### The Arielle Advocacy Grant: \$2,500

*Grant provided to patients in honor of Arielle who advocated for patient rights and accessibility to care. She exemplified love, strength, thoughtfulness and kindness to everyone she came into contact with, either in person or through social media. The applicant will demonstrate the same attributes.*

#### Sponsorship Benefit:

Company logo recognized at every Super T's event (conference, foundation event, seminars, etc.) for 2 years  
3 tickets to Super T's locally held events  
Company logo and information placed on Super T's website and social media for 2 years  
Banner placement on Quarterly Newsletter

### Travel Grant: \$1,000

*Grant provided to help offset lodging cost or provider cost not covered by insurance when a patient is pursuing a mast cell diagnosis. These appointments last for several days and require several days of testing, to determine if a patient has a mast cell disease.*

#### Sponsorship Benefit:

Company logo recognized at every Super T's event (conference, foundation event, seminars, etc.) for 1 year  
2 tickets to Super T's locally held events  
Company logo and information placed on Super T's website and social media for 1 year  
Banner placement on Quarterly Newsletter
